GARBAGE FREE CITIES STAR RATING

Alert

12th November 2019 | Tuesday | Alert # 8

POINTS TO NOTE

Certification / Re-Certification

- ULBs can **declare and apply for certification/re-certification for higher/existing star rating at any point**, provided it has achieved a specific star rating (No cooling-off period is required). It will be required to update GFC MIS in accordance with the star rating being applied for.
- **Supporting documents fulfilling the requirements** relevant to corresponding star rating application need to be uploaded on GFC portal.
- **As per the revised protocol, fresh declarations shall be uploaded.** Old declarations used for applications in January 2019 will not be considered.

Re-Assessment

- If a ULB could not be certified in the first attempt, it can undergo **re-assessment after cooling off period of one month from the declaration of results.**
 - ✓ Documents don't need to be uploaded again if ULB had passed the desktop assessment. Field assessment will be conducted again.
 - ✓ If the ULB had failed the Desktop Assessment as well, only the flagged documents during the DA need to be uploaded again.
- If a ULB fails in the re-assessment, **re-application will only be considered after 6 months.**

For GFC application to be considered complete, ULBs need to:

1. Complete City Profile and GFC MIS and apply on GFC MIS portal.
2. Submit supporting documents and declarations on GFC Portal (<https://gfcstarrating.org/>).
