'Star Rating for GFC' CHALLENGE for next 30 days

Following the clarion call given by the Hon'ble Prime Minister on Single Use Plastic, States will get extra weightage under 'State Ranking' if a City meets the following conditions and become '**Plastic Free City**' –

1. City apply by 6th September 2019 and get certified as 3/5/7 Star City before 2nd October 2019; and
2. City has qualified in all indicators around 'plastic waste management' as per GFC protocol – stringent checking to be undertaken by the Assessment Agency
(Awardee cities name will be announced on 2nd October)

Your existing Star Rating is Expiring on **31st Dec 2019**

Cities aspiring to get marks under 'GFC Star Rating Certification' in SS-2020, need to have a fresh certificate before 31st Dec 2019.
