Alert

Day 149 (Day 6) Wednesday, 9th January, 2019

Garbage Free City Portal

- Deadline for **3, 5 and 7 Star application is over** and no more applications/requests are being accepted.
- Last date of uploading city profile, self-assessment, declarations for cities applying for **1 and 2 Star** is **14th January, 2019**.
- The **scoring calculation** for each city has been **restricted to 5 times**. Please use this feature judiciously. After clicking on Scoring, first review all the star status and see in which category city/ward is failing as per the protocol (available on GFC portal under Star Rating Protocol) and correct errors.
- Please note **no changes will be allowed** once **final scoring is done and city level declarations are uploaded**.
